## NOTICE.

**THE DIRECTORY** for the present year is not such a book as the Publishers, if they had their own will, would offer to their fellow citizens. But it is as good as they know how to produce at the price charged. Should they meet with sufficient encouragement in the sale of the present edition, they have it in contemplation to give such a book next year as the wants of the city of Brooklyn require and ought to demand.

It would be an easy matter, and much in accordance with the fashion of the day, to lengthen this circular by the publication of a long catalogue of references; but, with all due respect to the fashion of the times, and to the gentlemen who have so liberally allowed their names to be stereotyped as references in this city, the advertiser is of opinion it is a "custom more honored in the breach than the observance"; he will therefore content himself by assuring those who may require his professional services, that he will "in all his best" endeavor to merit their support.

With respect to charges, Mr. N. begs to state that he shall at all times take a pleasure in consulting the circumstances of those who may apply to him, and charge as moderately as he can with justice to himself and patient.

# BROOKLYN STREET DIRECTORY;

Or. Guide for 1843 & 4

SHOWING THE COMMENCEMENT, POSITION, AND TERMINATION OF EACH STREET, WITH THE JUNCTIONS AND CROSSINGS OF THE INTERSECTING STREETS, ALSO THE NUMBER OF THE HOUSE AT THE CORNER OF EACH OF THE STREETS.

Where there is no house on the corner, or where the corner house fronts on the crossing street, the number of the house nearest the corner is given. It must be observed that in a considerable portion of the streets, the houses are entirely unnumbered. In those streets the Alphabetical Directory directs you to which of the crossing streets the house you are looking for is nearest situated.

For the information of strangers it may be necessary to add, that the odd numbers are invariably on the left hand from the commencement of each street.

# WILLIAM SNECKNER'S BAKERY AND CONFECTIONERY.

*Corner of Fulton and Middagh Streets,*

Having, for many years before coming to Brooklyn, been engaged in the baking business in Bayard street, in the city of New York, at the Bakery of his mother, (the late Mrs. E. Sneckner,) whose Bread and Cake acquired a well earned and very extensive celebrity in that city, and for the last four years in the city of Brooklyn, he now wishes to inform his customers and the public generally, that he has been making many improvements and additions, well calculated to please the taste and gratify the eye; and also to assure them that his arrangements are now completed for executing orders, always observing strict regard to neatness, cleanliness and despatch.

## LARGE DOMESTIC BREAD.

Wheat, Wheat and Indian, Rye, Graham and Twist, which shall not be excelled by any.

*Hot Rolls*, fresh every morning at 6 o'clock, Sundays excepted.

*Cakes of all descriptions*—Rusk, Buns and Tea Biscuit, hot every afternoon at 5 o'clock.

*Crackers*—Butter, Soda, Milk, Pilot and Graham, fresh and always on hand.

*Confectionery*—The subscriber having fitted up his establishment, is now ready to manufacture it in all its branches and at the shortest notice.

PARTIES AND WEDDINGS CAN BE SUPPLIED WITH

Pyramids of all kinds,		Blanc Mange,
Ice Cream and Jellies,		Charlotte de Ruse.
Calf's Foot Jelly constantly on hand.		

All of the above he pledges himself will be manufactured from articles of the best quality, and in a style not to be excelled by any in New York City or Brooklyn.

Mottoes of all kinds,		Oranges and Lemons,
Almonds and Raisins,		Figs and Prunes.

Cakes baked, ice and ornamented in a style not to be surpassed.

# BAILEY'S COMPOUND SARSAPARILLA MEAD SYRUP.

The proprietor, for many years past, has been engaged in the manufacture of FLUID EXTRACT AND SYRUP OF SARSAPARILLA, and from the numerous experiments he has made, together with his extensive experience in the manufacture of the above articles, he has succeeded in discovering a process for extracting the medicinal virtues of the Sarsaparilla, hitherto unknown, which is the only way that the entire virtues can be extracted from the root. By this process he is enabled to produce a preparation superior to any other of the kind ever offered to the public, and is in reality a HEALTH RESTORER. It has been for several years in constant use in the Naval Hospitals, and by the Medical Faculty generally, with the most entire success.

The subscriber, stimulated by the extensive sale of the above articles, has been induced, in addition to his other preparations of Sarsaparilla, to prepare and offer to the public a

## COMPOUND SARSAPARILLA MEAD SYRUP,

containing all the medicinal properties of the Sarsaparilla, and producing a delicious beverage, the most grateful and healthy that has ever been invented. It removes indigestion, dyspepsia, and all derangements of the stomach, and by its tonic properties restores the digestive organs to a healthy action. If it is used in the hot season merely as a common drink, it will do more good by its purifying restorative properties, than the most highly medicated waters of Saratoga. It is no quackery, but an article chemically prepared, and possessing real merit—far preferable to any other article in use. Combining medicinal virtues with pleasantness of taste, makes it really a desideratum; and all that use it will approve of it, and use it again.

Prepared and sold, wholesale and retail, by

**WM. BAILEY, at his Pharmacy,**

## MILITARY SHAVING CREAM:

An Emollient Compound, most excellent for shaving with either cold or warm water—prepared by WILLIAM BAILEY, Chemist, corner of Sands and Fulton streets, Brooklyn.

**Certificates.**

This is to certify, that I have made use of the Military Shaving Cream, prepared by William Bailey, corner of Fulton and Sands Streets, for about eight months, constantly, and that I find it to be superior to any article of the kind I ever before used, and I would cheerfully recommend it as a mild pleasant, and economical Shaving Soap

D. L. HOLDEN.

Brooklyn, March 30th, 1842.

I have used the Military Shaving Cream, manufactured by Mr. William Bailey, corner of Fulton and Sands streets, Brooklyn. I consider it the most excellent article, and recommend it to the notice of the public.

M. P. O'HERN.

Brooklyn, March 27th, 1842.

If there ever was any discovery made by mortal man deserving the gratitude of the public, it is Bailey's Military Shaving Cream. I have used it for a long time, and I do unhesitatingly say it is the very best Soap ever yet invented for Shaving. It leaves the face as smooth and comfortable as one could ask for, and its perfume is delightful. The lather is thick and heavy, and does not dry on the face. Indeed, it may be called the "ne plus ultra" of the age, the desideratum.

B. H. BUTLER.

Brooklyn, March 29, 1842.

Brooklyn, March 29, 1842.

We, the undersigned, have used BAILEY'S MILITARY SHAVING CREAM, for a long time, and take pleasure in recommending it to the public, as an article well worthy of their patronage, and consider it superior to any Soap we have ever before used.
